will immediately report to the Administrator any additional funding available for activities related to this Project.

Use of the Award Funds: The laws of the United States place certain restrictions on the way funds awarded by charitable trusts and foundations may be expended. **Award funds and any interest earned may be used only for the research project and budget as submitted in the Recipient's Project proposal.**

The Recipient Institution must exercise proper stewardship over award funds and ensure that costs charged to the award are allowable, allocable, reasonable, necessary, and consistently applied in line with the Project's accepted proposal and budget. The Institution shall be liable for reimbursement to the Funder of any award funds associated with any inappropriate or unauthorized expenditures or fraudulent or improper conduct involving the use of award funds. The grant monies which have been awarded, including any interest earned therein, may only be used for the purposes stated in this Agreement. Funds may not be expended for any other purpose without the prior written approval of the Administrator.

The Charles A. King Trust Award is for stipend, 10% fringe allowance, and flexible allowance funds. At the discretion of the Award Recipient, up to \$25,000 of the annual award amount is designated as an Expense Allowance for research supplies, and may be used as flexible funding for activities and items such as equipment, health insurance, childcare, publication of scientific data, and travel to scientific meetings that is the sole financial obligation of the Award Recipient. The Award Recipient and Mentor may elect to use the \$25,000 or a portion of it to supplement the Award Recipient's salary. The grant monies which have been awarded, including any interest earned thereon, may be used for the purposes stated in this Agreement.

Institutions may not automatically deduct any fees from this allowance without the Award Recipients' approval. The allowance will be incorporated equally across the award payments. Any unused expense allowance in Year 1 may be carried over to Year 2 without a formal request.

Although awards are made for two consecutive years...

Supplementation of Fellowship: Because the fellowship stipend may not cover total institutional compensation, supplementation by the Institution is permitted and encouraged. The total of all competitive fellowship awards plus any institutional supplementation cannot, however, exceed the annual salary or total compensation for the Recipient's position as determined by the Institution. The Award is for stipend only and will not change the use of funds to accommodate any supplementation. It is not acceptable to concurrently hold a named fellowship from another source.

The Recipient and the Mentor must notify the Administrator of any change in the Recipient's academic or employment status in a timely manner and usually not less than thirty (30) days prior to such change. The

organization websites, publicly accessible databases of privately funded awards, or published in print form or other media. As noted in the application guidelines, the Project summary submitted with the application will be posted on the Administrator's website if the Project is funded.

Scientific Poster Sessions and Events: The Recipient is expected to share research findings in a timely manner through professional meetings and/or publications.

Acknowledgements: Professional publications or presentations resulting from Project work supported by the award must acknowledge, the **Charles A. King Trust Postdoctoral Research Fellowship Program, Bank of America, N.A., Co-Trustees**. In some cases where a specific donor has supported the fellowship, the donor should also be acknowledged. If the fellowship is supported by a named donor, the Recipient is expected to send a brief note of appreciation to the donor at the beginning of the fellowship.

Post Award: Recipient shall make good faith efforts to respond to the Administrator's reasonable requests for information on his/her research progress, new position, affiliation, or contact information (especially email address) following the award period. The Recipient may be requested to provide a current Biosketch or update information in an online database. The Recipient understands that this obligation survives the award period.
